

2021-2022

Shiloh Farm Ministry After School Pick-up Program

Prices and Payment Policies

- **Payment is due on Mondays each week unless you make other arrangements with the director.** You must communicate about payment or it will be considered late. We are having too many children coming to receive childcare without a payment. We are having to maintain our facility and provide snacks on days the children go to school. Sometimes we are having to carry the cost on our own.
- **Payment is standard for children enrolled fulltime in our program and is not based on attendance.** To ensure that you keep your current position, please be sure to pay the proper amount according to the rates.
- **The drop-in rate is only for attendance 1 day a week.**
- **Fulltime rates are for 2—5 days a week.** You must pay the full amount regardless of whether your child attends 2, 3, 4, or 5 days. This is standard policy.
- **Payment is still required when there are holidays, teacher workdays, or other reasons for nonattendance.** This has always been our standard and needs to be followed accordingly. If your child attends our program fulltime, payment must be kept current. We comply with the policies and regulations just like any other facility regarding these matters.

Payment for School Age Children

\$100—1 child after school fulltime

\$20—1 day drop in rate

\$10 extra for all day care (Teacher Workdays & holidays)

\$110 for all week care (Spring Break, Christmas Break, Winter Break)

\$90 each for 2 or more children after school fulltime
